ABOUT US

We " Prishiv International " introduce ourselves as reputed and fastest growing group named "TOUCHET", manufacturers of Touchet Brand Mortise Handle, Pull Handles, and Cabinet Handles. We believe in continuous growth and improvement in technology and quality which keep us in the leading stage. We believe in teamwork and in direction of improvement and lead towards great success with our entire production, quality, administrative, and research & development team has helped us to achieve these feet.

The company has been in operation since 2016 and has built up a reputation for providing quality products and excellent customer service. Prishiv international manufactures a wide range of Mortise Handles, Pull Handles and Cabinet Handles. The company's products are made to strict quality standards and are backed by a comprehensive warranty. Prishiv international also provides facilities allowing customers to specific hardware requirements. Whether you need standard hardware fittings or custom-made components.

From the very beginning, our main aim has been to achieve maximum customer satisfaction by manufacturing hardware components of the most superior quality, delivering them on time and at the most competitive prices. Our strong and dedicated management and workforce have given us an international benchmark to operate in the most professional, cost-effective, channelized, and systematized environments enabling us to add value to our products at all stages of production.
